WHAT IS ELEANOR ROOSEVELT SR. HIGH?

A school dedicated to education and much more

WE WORK HARD

THE ROOSEVELT BLUES

This here's a story about my school
When I came in I felt pretty cool
But when I got the homework, I felt like a fool
And it gave me those Roosevelt Blues

We got here this morn'g, they all were there
But you're gonna have to pay your dues
Cause when you sign on, I feel like they need some dues
And it gives us the Roosevelt Blues

They gave us Exploratory, Math and Science
Civics, World, and U.S. History
Algebra II and Trigonometry
And everyone's favorite, R.P.

When I was in school, I was a pretty good student
But that's not my greatest fear
Cause my friends will be stuck with me for the rest of their lives
Because of my Roosevelt Blues

MEMORIES OF ERSH by Dana Woods

With all the good times and the bad
We'll never forget the fun we've had
The friends we'll miss, the memories we'll keep
At Eleanor Roosevelt Senior High

Remember our junior and senior class
Senior class float that went all the way
Even Springs weekend, the memories we'll keep
At Eleanor Roosevelt Senior High

Friends we've known for many years
Who know our secrets and our fears
It'll be hard to say good-bye
To Eleanor Roosevelt Senior High

A chapter of our lives will close
What will happen, no one knows
But with fond hearts, we will recall
Roosevelt school days, one and all

Laughs between classes

How come we are never aware of the
time that passes?

To those loves and heartaches, those
frightful changes

To the times together, and all those dances
To the joy and scars, the friendships
that were made

It is funny — it didn't seem like three years

To that institution where dreams are born
and joys awaken

To the crowded stairs, the cracks, leaks
and alarms

Who really cares?

To those times about leaving, times behind

They say memories go on, but

How I wish my high school years weren't gone

Our future stands before us
but memories will never end

How is it that we have
friends we've made along the way

What we have gained will help us on forever
throughout the years

Oh Roosevelt we'll miss you; our sadness
we cannot explain

But now we'll start our future and memories
shall stay the same

The rain finally stopped, and not even gray skies could dampen our spirits. Everyone was ready for the parade and the big game. The parade started at 12 o'clock. It proceeded through Greenbelt, with drummers, drumming, and majorettes striding from Greenbelt center to Hanover Parkway.

AND THAT NIGHT....

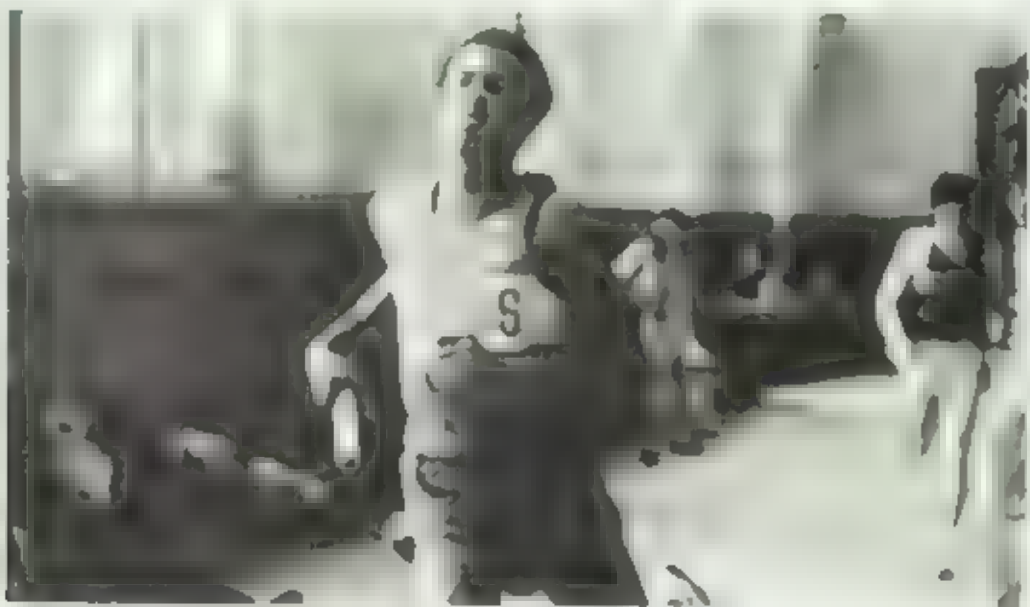

THE HOMECOMING DANCE

We would like to take this opportunity to congratulate the 1979-1980 Ind. or Track Team. Both the boys and girls did an outstanding job this year. The boys took the State mile relay with a state record of 3:25. Jay Diamond literally won everything he entered. The girls won the District meet with a national record in the 880 relay. Thais Facer obtained a County record in the high jump. We salute the members of the track team for their outstanding achievements and their dedication to the sport and their school.

ROOSEVELT HOCKEY

The Roosevelt Hockey Club is self supporting, buying their own equipment and ice time

The club was founded 3 years ago and is now one of the top teams in the circuit

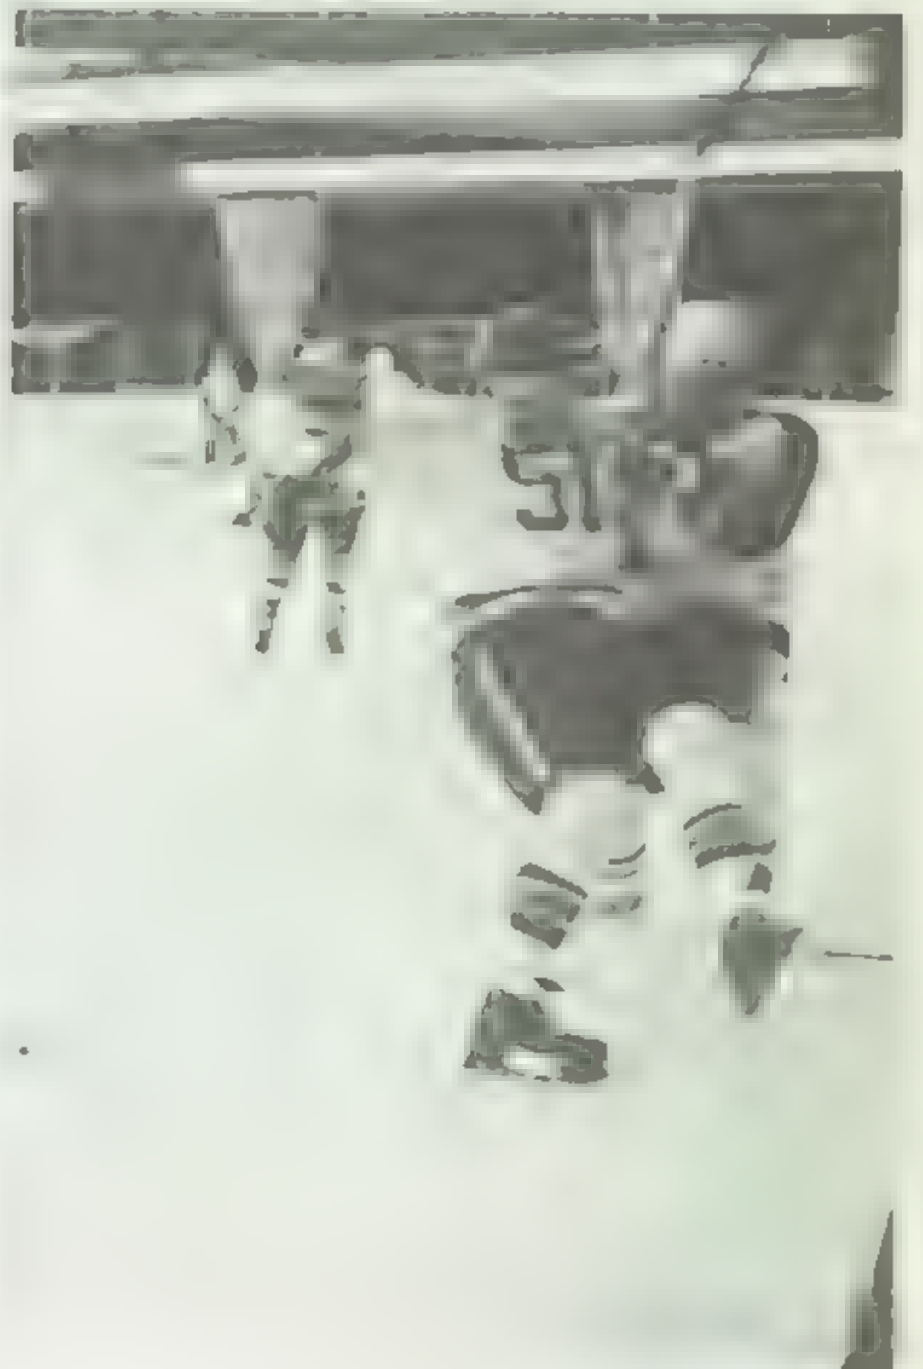

Last year's record was 14 and 0 This year's record proved to be another winning one, taking them all the way to the championships!

The club deserves a lot of credit, practicing and playing at all hours of the night, supported only by themselves and a handful of dedicated fans. The club has been a complete success.
CONGRATULATIONS!

Directions

In a class with Super Advisor, mix Executive Board Members and dedicated workers to form a strong, hardworking group. Begin by adding a successful Homecoming Week to start school spirit. Fold in a well-run parliamentary workshop. For best results, incorporate entire school. Then add an M.A.S.C. convention to increase consistency of school spirit. Mixture may get lumpy but continue stirring, lumps will eventually disappear. School spirit will rise quickly. It's important to keep enthusiasm high. Next pour in a Northern Area County Rose Bowl to continue fantastic school involvement. For variety, toss in a handful of legislation brought before the Prince George's County Board of Education.

Angela Plummer, Patrice Langford and Angela Duncan were a few of many Roosevelt students to take part

The real you came out during the seminars

On Thursday, January 24, at 3:30, the first of many buses arrived. Students carrying suitcases and sleeping bags wandered through the school staring in awe at the enormous North Mall. Meanwhile, in the SGA office, final plans were being discussed in carrying out the Maryland Association of Student Councils (MASC) convention that Roosevelt was hosting. MASC is a state wide SGA meeting. The delegates from high schools representing their counties from all over Maryland. Many Roosevelt students were involved in the planning of the convention, doing the work during the convention, housing, and giving moral support.

"Why Roosevelt?" was the question asked many times by the workers and those listening to the morning announcements. Brunswick High School originally was to host the convention, but they changed their minds and pulled out. Roosevelt happened to be at the right place at the right time to "volunteer." In accepting this project many reputations were on the line. ERSKA and Roosevelt itself was being judged as well as Prince George's County.

A delegate may have happened to watch themselves on the news that night. Most networks carried the story of our state wide General Assembly passing a bill in favor of Carter's proposal to reinstate the draft. Other bills were passed such as the opposition to raising the drinking age, and that administrators should not be allowed to search a student's car without a search warrant. The convention continued through Friday with a choice of roller skating or the movie "Superman" as an activity. Saturday, January 26, the last delegate left.

No one person could have accomplished this. The SGA thanks the students who helped, the faculty, and the administration.

BUDGET AND CALENDAR

The Budget and Calendar Committee is in a life or death situation. It's developed a terminal disease known as lack of participation. It's dying, an organization being killed by its creators. Twelve representatives of various clubs, sports and organizations, are to meet at one place and at one time with Mr. Clingan. A quorum of eight people are needed to consider what activities, sponsored by clubs, should happen at what time. A quorum showed up to a meeting only once so far this year. This organization is designed to provide student input on what goes on at Roosevelt. Chaos and ill feeling would result if Budget and Calendar should be disbanded. Mr. Clingan would then be stuck in the middle of the rush of the individual classes fighting for the choice activities. Many of the little clubs would be hurt in this process. SGA and the Senior class, having their own class period, would of course have the advantage. Mr. Clingan doesn't wish to be nor should have to be in a position of choosing one class activity over another. Budget and Calendar also serves as a time to share fund raising ideas which the Freshmen could profit from. Any activity approved by Budget and Calendar is not required to be carried out. During a meeting, a club voices their reason for doing their activity and how they plan to carry it out. The organization as a whole then decides whether or not to approve the activity. For example, a conflict occurred between SGA and the Jr. class concerning the selling of seat cushions. After both sides were presented, the Jr. class was permitted to sell them. The Juniors, however, did not accomplish this activity at their selected time. The main idea behind Budget and Calendar, student involvement, far outweighs any feeling of it being a waste of time.

W A T E R

Water Analysis Team of Eleanor Roosevelt — The WATER "molecules" condense every week and rain over the Greenbelt area, helping to insure that water pollution is all washed up. Exploring the unknown depths of their water closet, they seek out crewmates, such as "Vinnie", the environmental test kit, and the "Chnses" which keep their feet from getting murky, and take them out on site to appraise the quality of the environment

The WATER molecules have fun, they're not just a bunch of drips. WATER is serious about improving the quality of the environment

Our President — Joanne Johnson

The 1979-80 National Honor Society has 61 members. We started out this year with a fundraiser and then on to a skating party. Skating was the next activity with a dance, Tee-shirts, and the Second Annual Run for Life yet to come. Our Honor Society activities are to benefit our community and our school. We have been asked to help establish an Honor Society for another school in the county. This entails running their first Induction and answering any questions they may have. The Honor Society has two Inductions of our own during the school year; one in the fall for seniors and one in the spring for juniors and seniors. We hope next year Honor Society will continue where we left off.

Qualifications for being in NHS are:

- Scholarship — 3.4 grade average
- Leadership — assertiveness in school
- Service — assertiveness out of school
- Character — personal qualities

OFFICERS

- Joanne Johnson — President
- Steve Lloyd — Vice President
- Monique Coates — Treasurer
- Kathy McCarty — Secretary

JOURNALISM-YEARBOOK . . . who would have thought that signing up for that innocent-sounding course would turn out to be one of the most confusing, frustrating, and rewarding experiences that could ever happen? Thirteen adventurous students (a majority of whom had never worked on a yearbook before) took the plunge and set about the task of making this edition of the **VALKYRIE** the best the school has ever had. The staff overcame many difficulties through hard work and long hours, and, in spite of everything, survived. TGIF.

YOUNG LIFE

This year's Young Life was a huge success. The club obtained its goal of 100 people, sometimes more, sometimes less, but everybody had a good time

Young Life gives everyone a chance to drop their masks, have fun, and just be themselves. Wednesday (club night) is a night of singing, skits and friendly sunshine for anyone who wants to come

With fun in mind, Young Life brings kids together to realize the importance of life and how one can make it better, finding peace, understanding and a light to help us through the sometimes dark hours of our lives

DUNGEONS AND DRAGONS

What is Dungeons and Dragons? Where did it come from? These are two commonly asked questions by non-D and D players

Dungeons and Dragons is an exciting game of fantasy. The game relies on the imagination of the players to make it fun. Each player creates a character, making it a dwarf, elf, halfling, magic-user, cleric, or thief. As the players engage in game after game, their characters gain more power and ability by winning battles over their opponents. As they grow stronger, they move further into the dungeons, encountering more powerful monsters and recovering more fabulous treasure

Dungeons and Dragons was created in order to continue the interest in fantasy wargaming started with the Castle and Crusade Society. The Castle and Crusade Society was a wargame set in the Medieval period. It was started in Twin Cities, and spread to many other places across the country. Although the Castle and Crusade Society no longer exists, its spirit remains in Dungeons and Dragons

CLASS OF 1980

The Senior Class had their busiest and most productive year in 1979-80. Much of their time was spent in planning the Prom and Graduation and in raising the necessary funds to hold these events in style.

The class also participated in two charity activities. With the help of the entire student body, they raised enough money to buy a TV and hold a Christmas party for the women and children at the Assisi Home for Battered Women. Following Roosevelt tradition the Seniors sponsored a Bloodmobile for the Red Cross.

In between their other activities, the seniors managed to set up a Powder Puff football game that turned out to be fun for players and viewers alike.

UNIORS

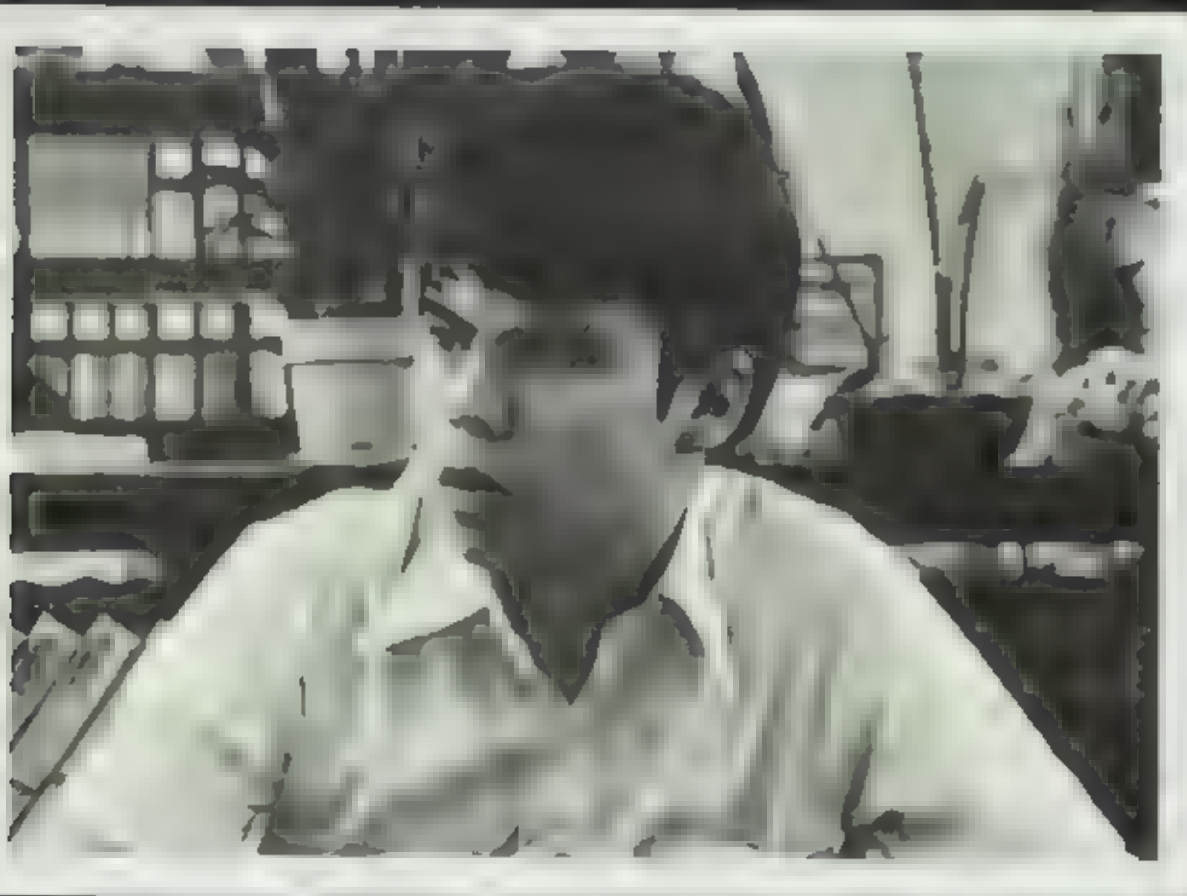

It's the heart afraid of breaking
that never learns to dance,
It's the dream afraid of waking
that never takes the chance,
It's the one who won't be taken
who cannot seem to give,
And the soul afraid of dying
that never learns to live.

*Memories of a soul departed
Bring to mind a friendship started
He fills our hearts with music
Of the love he left behind.*

*He always gave you what he had
Not trying to be good or bad
He never cared if you'd repay
That was just his friendly way.*

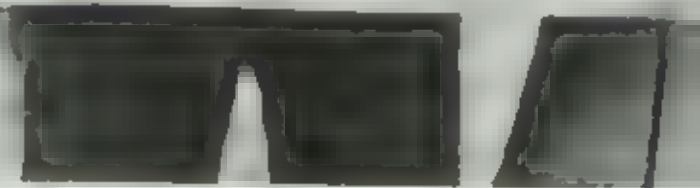

*There are times we spent together
That we hoped could last forever
But Scott was a unique creation
Who accepted his "Open Invitation"*

The Varsity Football team started their season with a series of wins placing themselves in the first place slot

In the latter part of the season the team consequently suffered "A few bad breaks", losing the remainder of their games, one of which was the Homecoming game

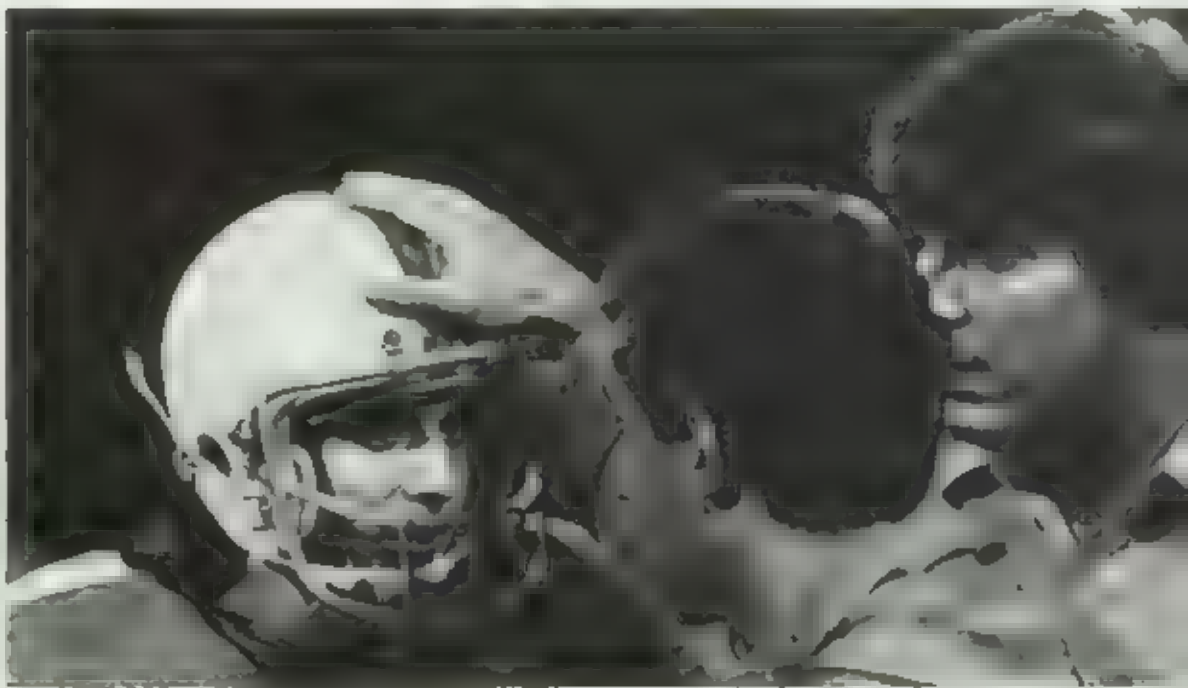

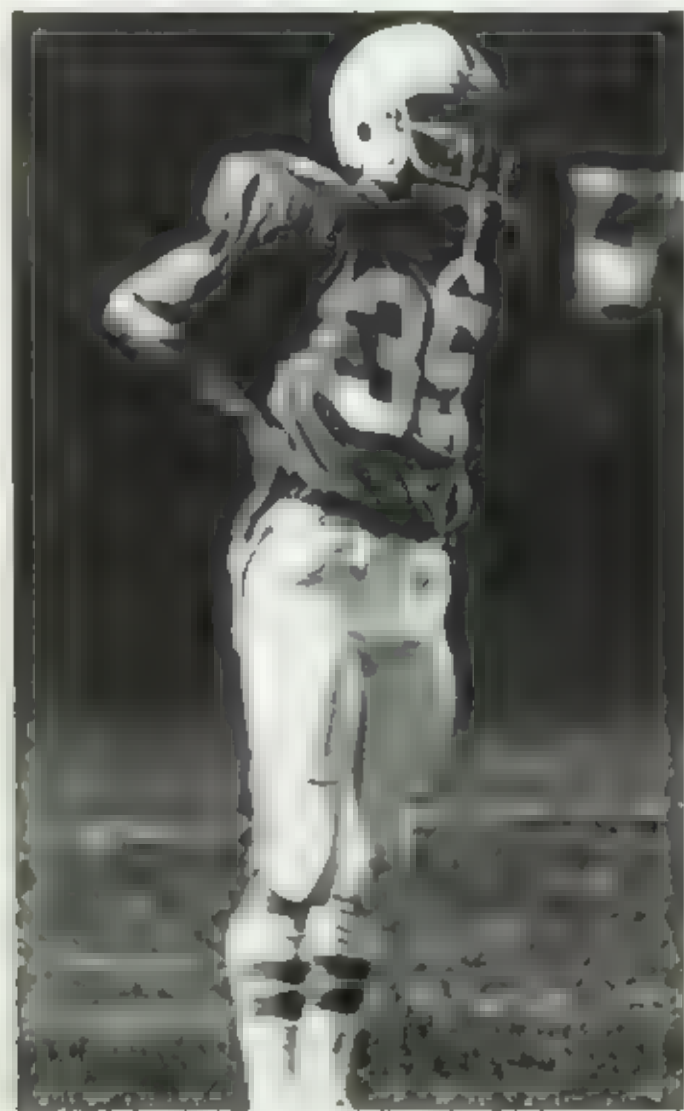

On the up note the team did have three players named for honors. Bob Johnson and Scott Fitzenreiter for Al. County and Tony Hatfield for All Region teams

Good luck to the graduating Seniors and the returning team members for next year

And getting to it

Senior midfielder Dave Amaral (left) and Matt Kavanagh.

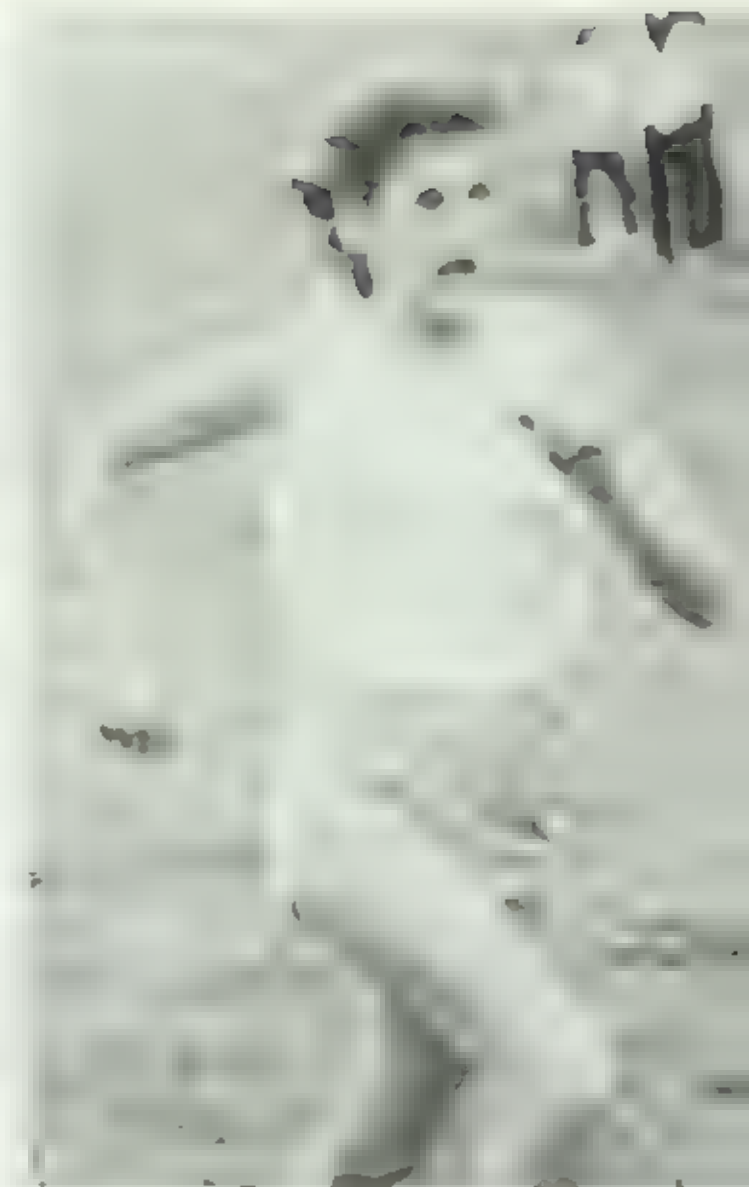

In 1979 the Roosevelt Soccer team played its best season ever. In the past three seasons, the team finished with a 7-5 won-loss record. This year it went 8-4 missing the state playoffs by one goal. The Raiders, a young team, lose only four seniors: Dave Hussey, Raicey Kunchik, Richard Boulin, and Bill Herron. Returning next year are Joe Bradley, Nino Kebreau, Dave Amaral, Tim Leonard, Bernie Vugrin, and Sean Bach.

VARSITY BASKETBALL

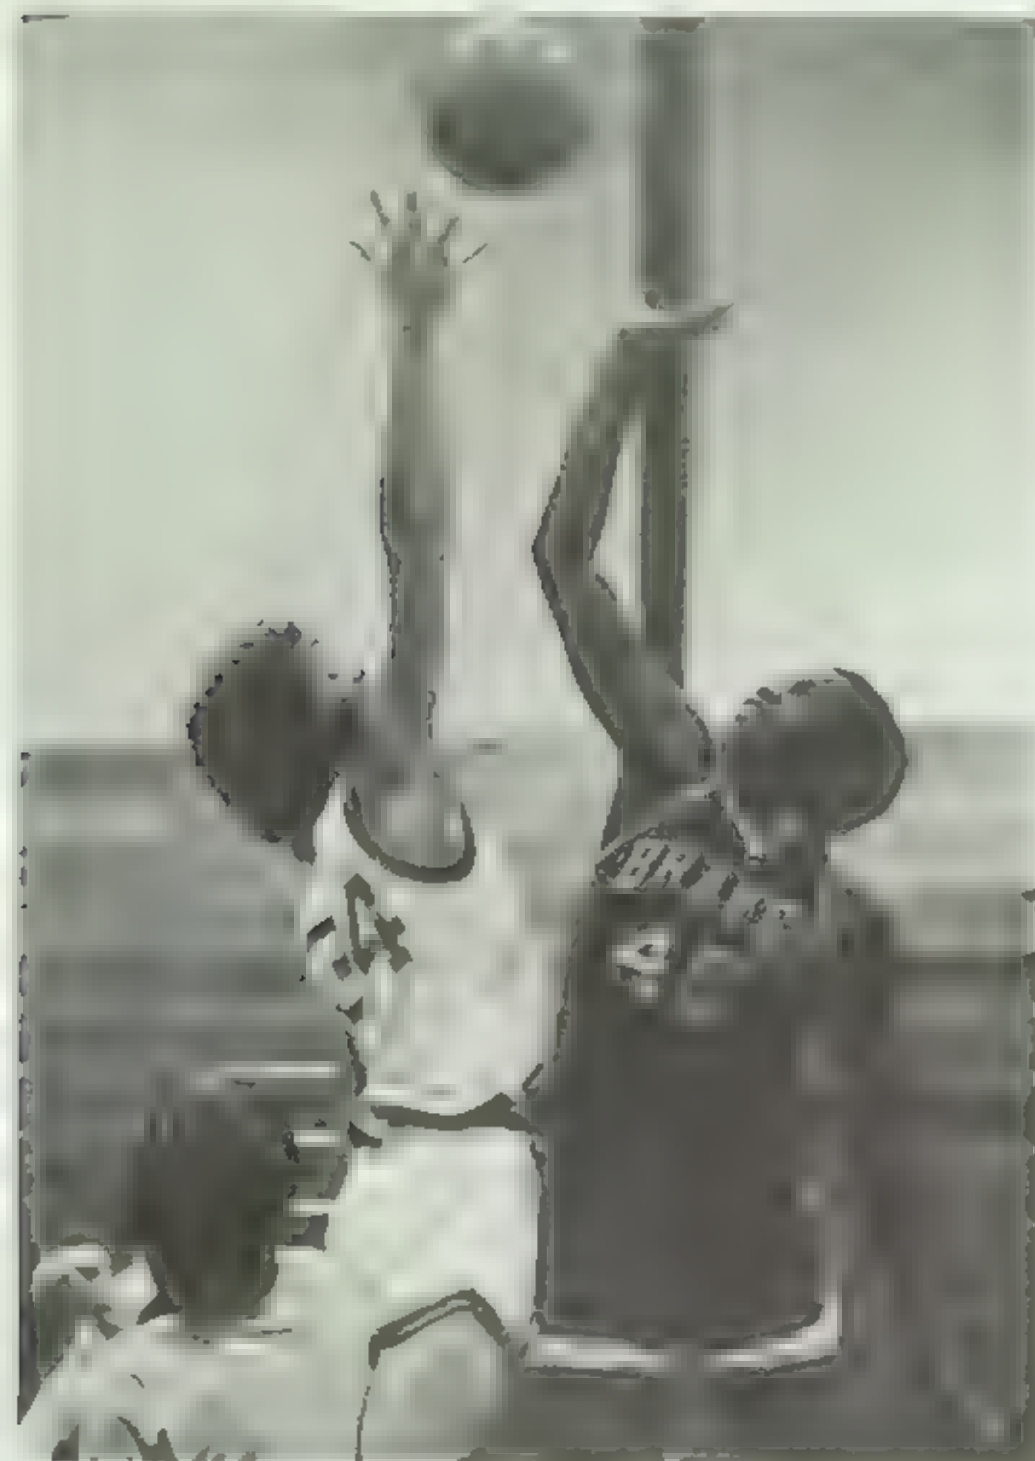

This year's basketball team was one in a million. Like most teams they had their ups and downs, but our Raiders were subject to a lot of strife during the season. Between the loss of some key players and the remodeling of the team roster, the Raiders were sure to sink. But they didn't. Coach Johnson kept the team together and brought them all the way to the playoffs. The yearbook staff salutes the players who fought for the team's success

GIRLS' BASKETBALL

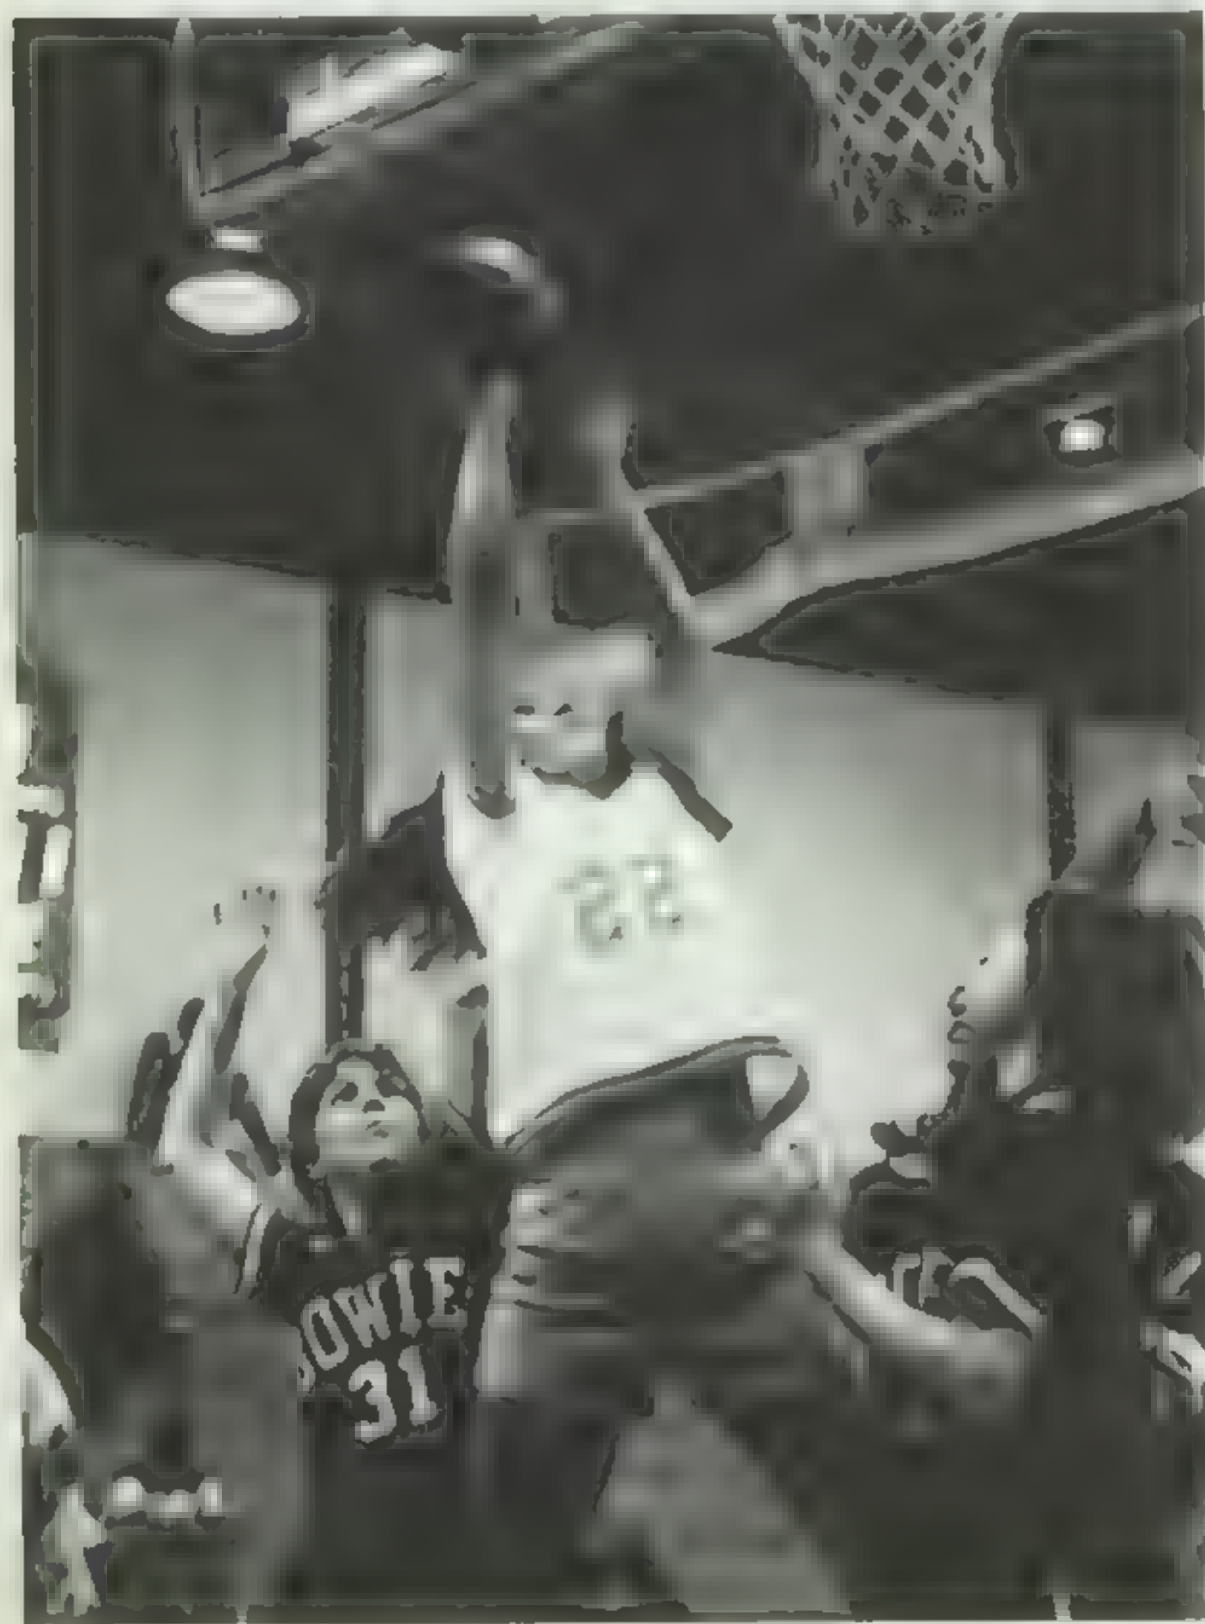

Region I Record 8-0

County Record 15-5

Overall Record 16-6

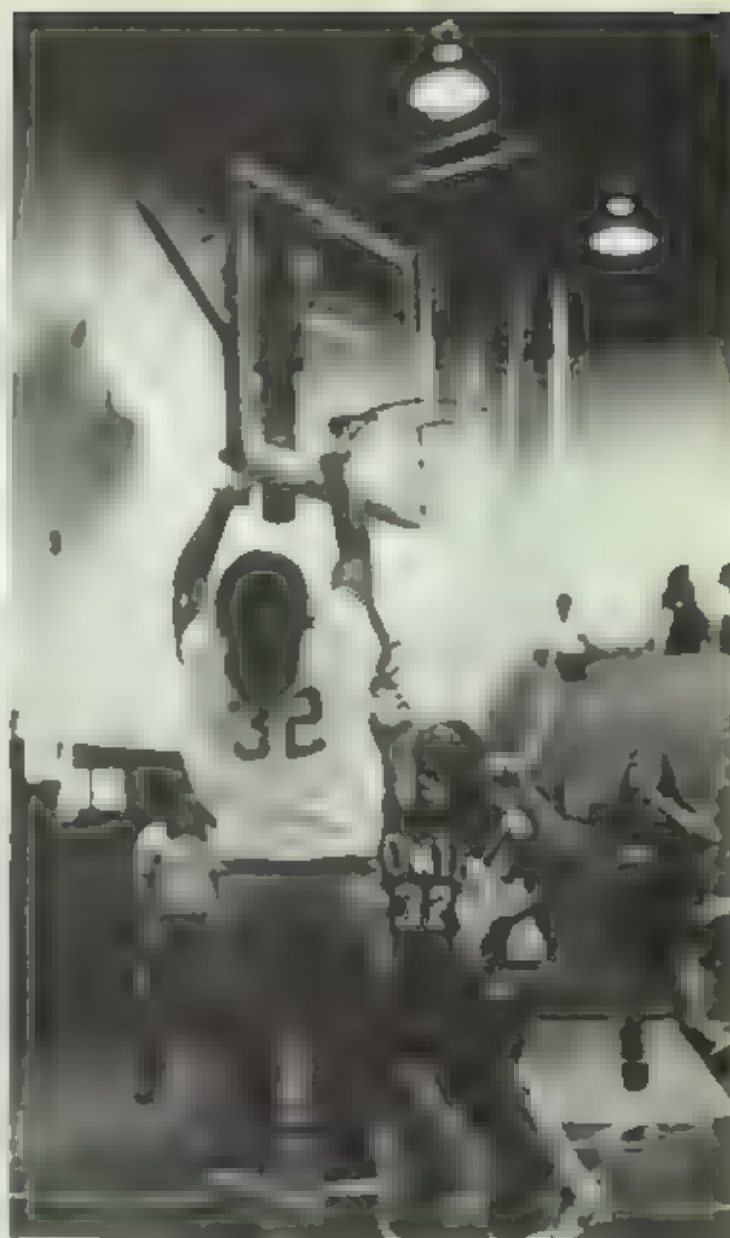

The Girl's Basketball Team is called the surprise team of the AA league. They were determined to improve on their previous records at the school. The team has come together and set new records in every phase at Eleanor Roosevelt. They are aiming for the Regional Championships with certainty. They are seeded second in the regional playoffs.

STARTING LINEUP Denise Carroll is the No. 1 leading scorer in the county with a 17.5 average per game. Yvonne Keller, Yza Eaton, Stephanie Porter, Tracey Martin. The other players are Lisa Lawrence, Kristina Kruezer, Jill Gober, Barbara Brown, Coach — Mrs. Maxine Eggleston, Assistant Coach — Mrs. Susan Trent.

Coaches Birkhead and Henshaw

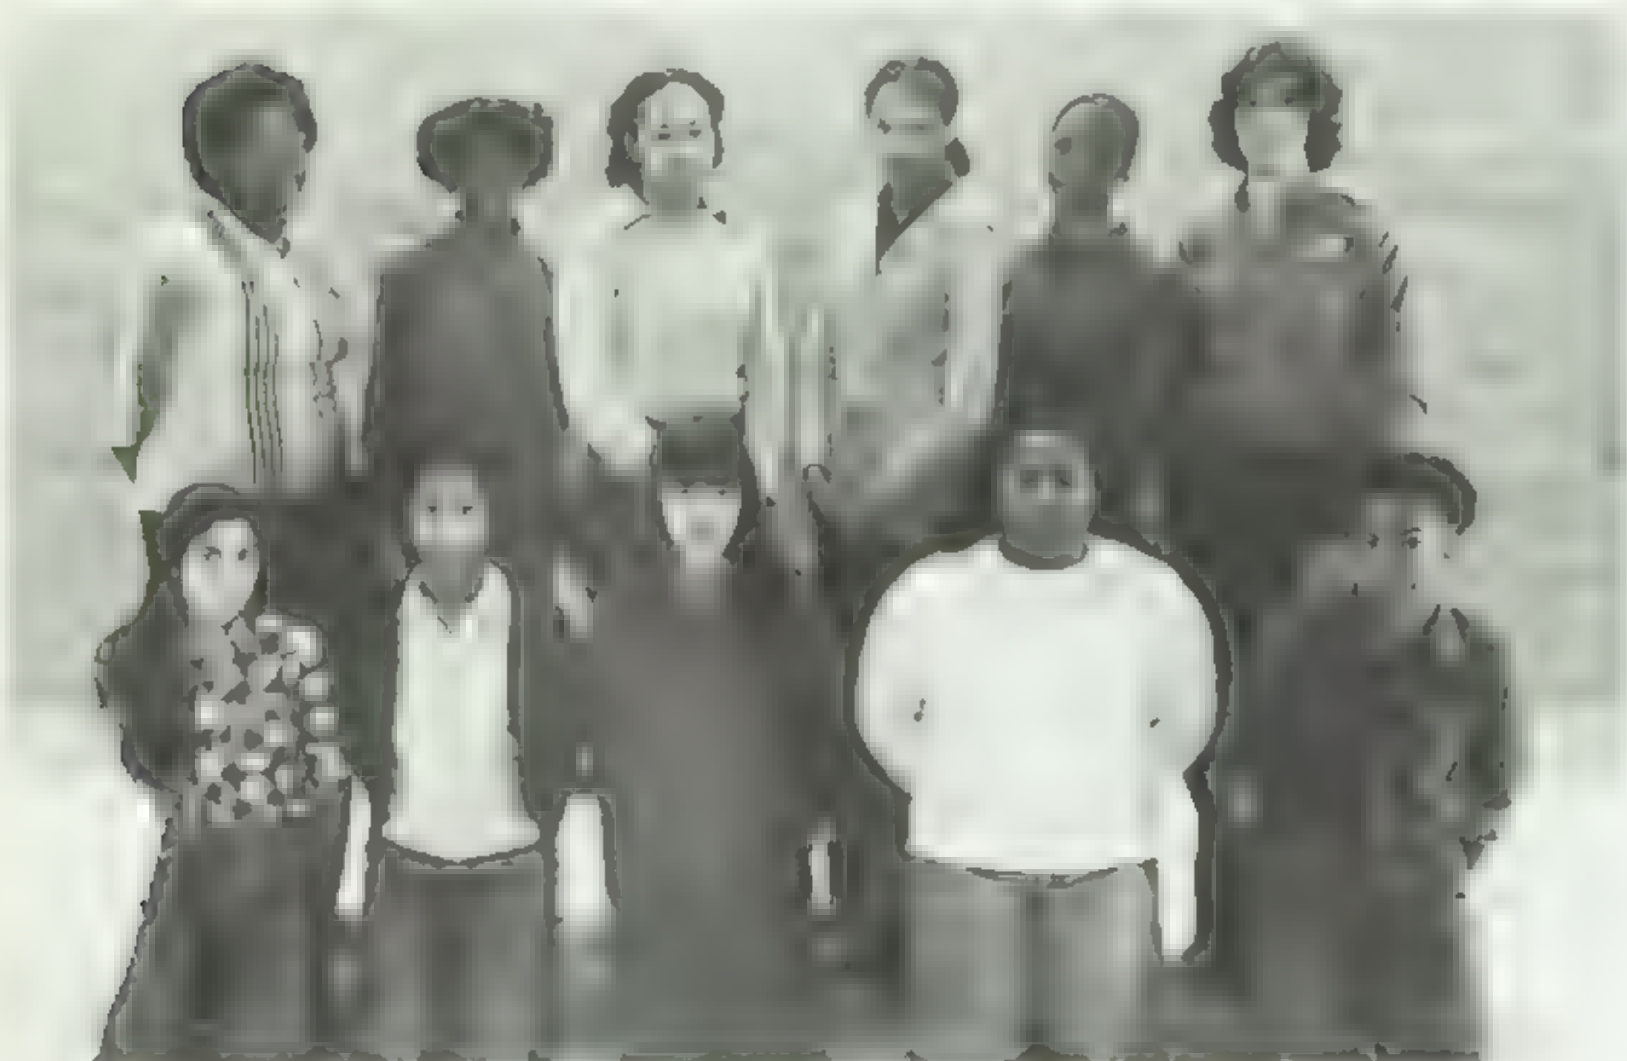

Team Captain Dave Gregory

This year under the guidance of a new coaching staff, Coaches Birkhead and Henshaw, the wrestling team trained long and hard making great sacrifices along the way. The two coaches brought with them new methods to raise morale and team spirit. The long hours paid off for the wrestling Raiders, as three members, Captain Dave Gregory, Gene Chiaverini, and Pat Bridgett placed in the regional tournaments. Next year's team promises to be even better with most of this year's team returning stronger and more experienced.
